

## Accommodation in Bern

### PhD Training week, 6. – 10. October 2025

In this document you will find some information about hostels and hotels in Bern. This is just a selection; there are of course many more options available.

The price information in this document is based on online enquiries at the beginning of March. Prices are subject to change at any time.

The three (youth)hostels listed below are the cheapest options in Bern, provided that you are staying in a dormitory or shared room. Hotel prices are usually around CHF 150 per person per night for the cheaper hotels.

We recommend that you book as early as possible. Hotels in Bern can sell out quickly during certain periods (due to conferences, concerts, etc.).

If you have any questions about your accommodation in Bern or if you need assistance with your booking, please contact [nadine.flueckiger@bfh.ch](mailto:nadine.flueckiger@bfh.ch).

### Public Transport

#### Bern Ticket

From your very first overnight stay at a tourist accommodation in the city of Bern, you will receive a Bern Ticket for your entire stay, which lets you travel for free on public transport in zones 100/101 operated by the Libero Association.

Please note: There is no public transport from the city directly to the BFH campus. From the city centre/railway station it is a 10–15-minute walk to the BFH campus. There is a funicular (Marzilibahn) that takes you from the city to the Marzili district where the BFH Campus is located. It is included in the Bern Ticket.
